Get more out of work experience at...

Mottisfont & SW Hants

Are you passionate about nature and history? Do you want to develop new skills, meet new people and expand your confidence?

Work experience is a wonderful opportunity to get practical insight into a particular job role or sector. This year at Mottisfont & SW Hants we are asking you to join us.

We are looking for students who are enthusiastic, team players and interested in learning what it takes to run a large charity. Everything from gardening to house conservation, come learn different skills and get a taste working across all departments.

Six spots available. Interviews to be held after spring half-term.
